

The slide features a dark, atmospheric background image of a bridge over water at dusk or dawn. The bridge spans across the middle ground, with its reflection visible in the calm water. In the foreground, there is a rocky shoreline. On the right side, there are three thick, curved, light blue lines that sweep from the top right towards the bottom right. The text is centered and rendered in a clean, white, sans-serif font.

TECHNOLOGIES

ALLIANCE

Creating more IT solutions for DOTs

The Identification, vetting, selection and management of alliance relationships that provide existing technology products and services which contribute to AASHTOWare's overall program goal of supporting transportation agencies as they perform their mission.

ESTABLISHED

AASHTOWARE BRINGS VALUE TO OUR MEMBERS

Why form an Alliance?

FUNCTIONALITY

- To FILL a functional gap
- To ADD functionality to an existing product

MODERNIZATION

- As products approach sunseting
- When it becomes cost-prohibitive to modernize

MEET A NEW BUSINESS NEED

- Add value to our members

AASHTOWARE

ALLIANCE TYPES

DATA

Provide data access to bring together AASHTOWare and non-AASHTOWare subsystems into an enterprise system and ensure subsystems function together.

PRODUCT

Provide products and services that complement AASHTOWare solution(s) and integrate and harmonize with the solutions.

STRATEGIC

Serve in a broader and deeper relationship, with strong organizational commitment and significant business impact.

Task Force Structure Changes

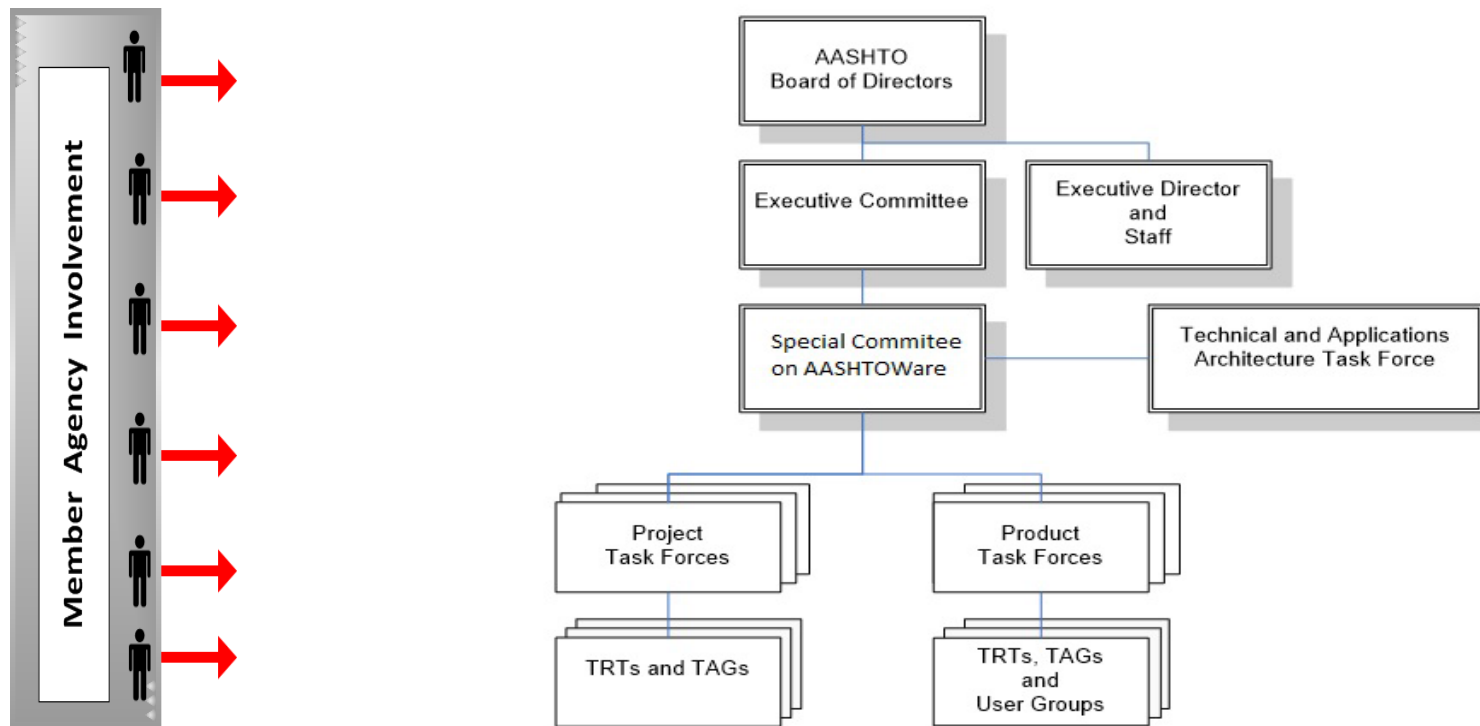

- BrDR and BrM are now two fully independent task forces
- Co-locating task force meetings
- Allows for more members to get involved

DOT Driven Software Solutions

AASHTOWare Program Management

Why Use AASHTOWare

- Incorporates “best practices”
- Users share solutions and costs
- License fees cover overall expenses ensure software products are kept current with technology, AASHTO specifications and functional requirements
- Each product is self-supporting
- Non-profit operation
- Management and oversight by agency (DOT) personnel
- AASHTO staff project management/assistance

Task Force Member Appointment Process

- Conduct broad solicitation of interest to member community
- Candidate resumes reviewed by Task Force Chair, SCOA Liaison, and AASHTO Project Manager
- Interviews conducted by same to find subject matter expertise needed to compliment the current Task Force membership
- Candidate recommendation and all resumes received submitted to SCOA for approval

Members allowed to serve two, three-year terms. Special terms may be extended at the direction of the SCOA
