BORN OUT OF INTEREST

AASHTOWare BrM Task Force. Priorities

- Development and Release of the LCCA Optimizer
- Software Technical Debt
- TPM and TAMP requirements have been accelerated.
- Federal programs have driven priorities.
- Upcoming SNBI Coding Guide

A photograph of a baseball field. In the foreground, a white base is visible on the brown dirt. The text "STEP UP TO THE PLATE" is overlaid in large, white, bold, sans-serif capital letters across the middle of the image. The background shows the dirt infield and a sliver of green grass at the top.

**STEP UP TO
THE PLATE**

WHY MOBILE INSPECTION?

MOBILE TECHNOLOGY HAS COME A LONG WAY

A Few Key Points:

- The app is designed for both Mobile phones and tablet devices.

**THE BEST CAMERA, IS THE ONE
THAT YOU HAVE WITH YOU.**

- Chase Jarvis

A Few Key Points:

- It works both online and offline.

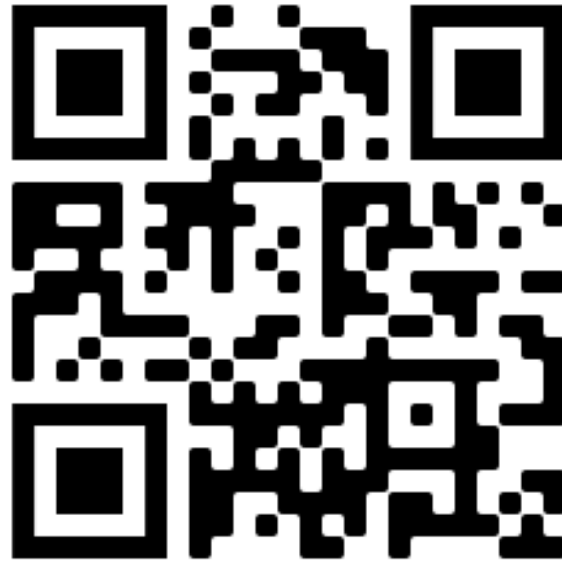

A Few Key Points:

- This is Version 1 of the App, so...

Bridges
Pavement
Tunnels

AVAILABLE NOW! BRIDGE INSPECTION SOFTWARE IN THE PALM OF YOUR HAND.

There is finally a mobile inspection solution that functions as an extension of the AASHTOWare Bridge management software. Something that has been a request for years is now a reality. No more paper, camera and laptop needed, a smartphone or tablet is all your teams need.

[Download on the App Store](#) [GET IT ON Google Play](#)

How do I get my hands on this thing?

Download the app today by going to your favorite app store. You'll be able to take it for a test-drive right now.

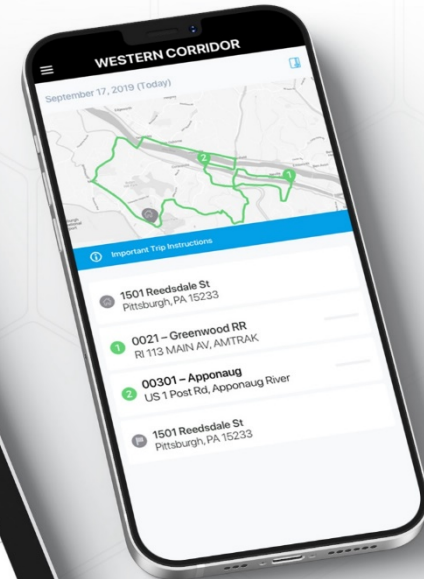

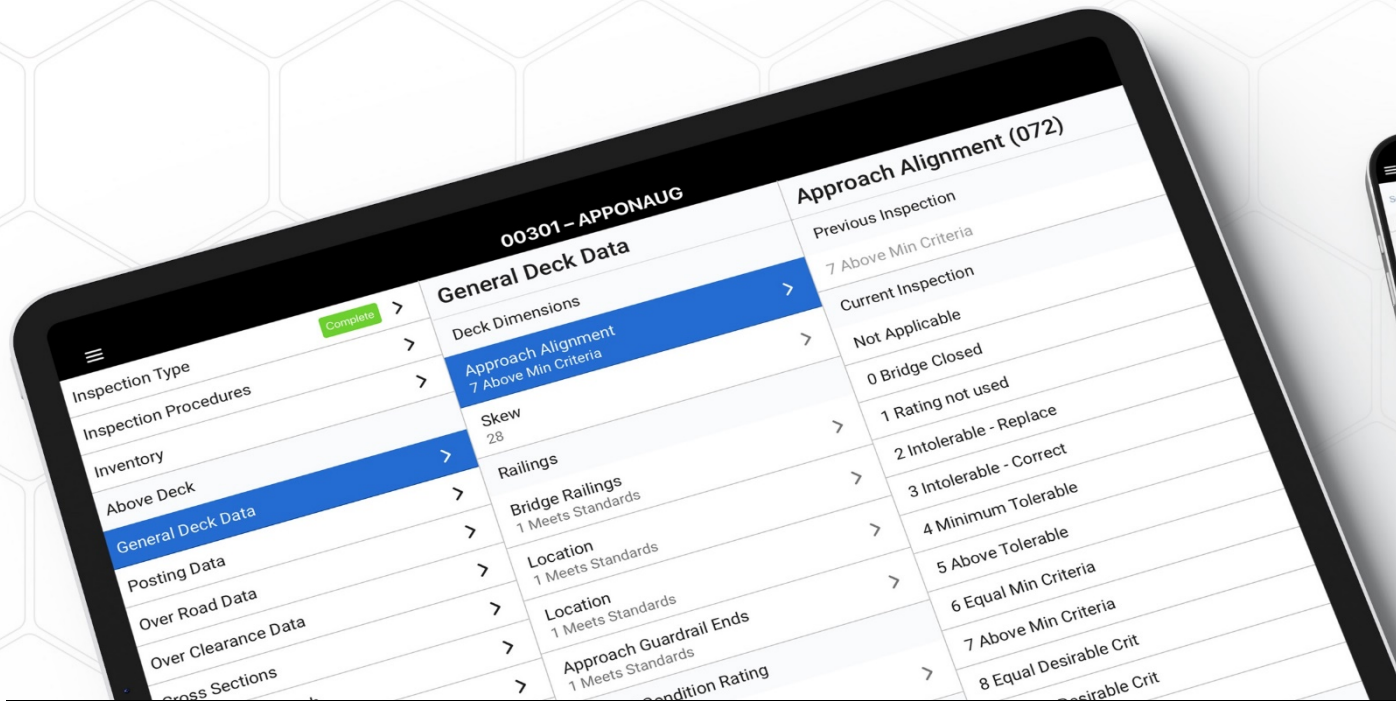

Once you've taken the test-drive, to get the app hooked up to your AASHTOWare Bridge Management, drop us a line and we'll get it started for you today.

A meme featuring Darth Vader in a control room. He is shown from the back, pointing towards a wall of control panels with various lights and buttons. The scene is dimly lit with blue and red tones.
